Whyte encourages readers to take risks at work that will enhance their personal growth, and shows how burnout can actually be beneficial and used to renew professional interest. He asserts that too many people blindly trudge through a mediocre work life because so many “busy” tasks prevent significant reflection and analysis of job satisfaction. People often turn to spiritual practice or religion to nurture their souls, but overlook how work can actually be our greatest opportunity for discovery and growth. **Crossing the Unknown Sea** combines poetry, gifted storytelling and Whyte's personal experience to reveal work's potential to fulfill us and bring us closer to ultimate freedom and happiness.
