Explores the image of God as a grandparent, a personal God who loves us and delights in us without expectation and to a depth that we are unable to imagine. Will help readers discover the freedom and wisdom found in the relationship between a grandparent and young child and consider it as a model for their relationship with the divine. Popular spiritual writer Kathy Chesto shares fifty reflections that flow from the birth of her first grandchild, an event that released her from a lengthy period of despair and reacquainted her with the God she was certain she had lost.
