## **Moviebob's Geek Streak: Bob Chipman On Geek Culture** Bob Chipman

The geeks have inherited the Earth - now what?

In this insightful collection of essays from his many years as a film critic, gaming writer and pop-culture commentator, Bob Chipman examines the complex world of the modern nerd - the good, the bad and the embarrassing - including such pieces as MOVIEBOB'S RE-TALES, BAT-MITT VS. OBAMAVENGERS and THE FIFTY MOST BORING OPINIONS IN GEEK CULTURE; along with in-depth looks at Disney's surprisingly-topical "Maleficent," the philosophy of C.S. Lewis, Geek Privilege and more.

While perhaps best known as the creator and star of classic Web Video series like Escape to The Movies, The Big Picture and The Game OverThinker; Bob Chipman has also published numerous volumes of written reviews, commentaries, thinkpieces and features covering the worlds of film, television, video games and the broader breadth of popular culture. Now, through The MovieBob Anthology, a selection of his best work is yours to own - selected and organized by theme by Bob Chipman himself.
