Pocket Dictionary for the Study of Biblical Hebrew

Todd J. Murphy

Pocket Dictionary for the Study of Biblical Hebrew Todd J. Murphy

Of Greek and Hebrew, Hebrew strikes the most fear in the heart of the Bible student. The alphabet does not look anything like English. The vocabulary offers almost no points of contact with English. The verb system is utterly alien. And the lexicons, grammars and textbooks are wrapped up in a metalanguage--spiked with Latin--that is daunting in itself. For those who feel that studying the English Old Testament is a challenge, the thought of reading it in Hebrew is extreme. Hebrew students need all the help they can get. If you are beginning your study of Hebrew and the Hebrew Bible, this pocket dictionary by Todd J. Murphy is for you. From *ablative* to *zaqeph qaton*, it defines the tangled terms that infest Hebrew textbooks, grammars and lexicons. Here is a book that will deliver you from the perils of the Piel and the thicket of metathesis. It is an indispensable glossary that will cut through that technical language--neither Hebrew nor English--that hovers like ground fog over the study and discussion of biblical Hebrew. Now you can devote more time to enjoying biblical Hebrew in all its richness.

From reader reviews:

Connie King:

Information is provisions for people to get better life, information nowadays can get by anyone with everywhere. The information can be a know-how or any news even restricted. What people must be consider any time those information which is within the former life are challenging be find than now could be taking seriously which one works to believe or which one often the resource are convinced. If you obtain the unstable resource then you get it as your main information there will be huge disadvantage for you. All those possibilities will not happen throughout you if you take Pocket Dictionary for the Study of Biblical Hebrew as your daily resource information.

Joan Henderson:

Playing with family in a very park, coming to see the coastal world or hanging out with pals is thing that usually you will have done when you have spare time, in that case why you don't try point that really opposite from that. 1 activity that make you not experience tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love Pocket Dictionary for the Study of Biblical Hebrew, you may enjoy both. It is excellent combination right, you still would like to miss it? What kind of hang-out type is it? Oh can happen its mind hangout guys. What? Still don't understand it, oh come on its called reading friends.

Joseph Wood:

Is it an individual who having spare time then spend it whole day by means of watching television programs or just lying down on the bed? Do you need something totally new? This Pocket Dictionary for the Study of Biblical Hebrew can be the answer, oh how comes? A fresh book you know. You are therefore out of date, spending your free time by reading in this completely new era is common not a nerd activity. So what these guides have than the others?

Kristopher Lewis:

As a student exactly feel bored for you to reading. If their teacher questioned them to go to the library or to make summary for some guide, they are complained. Just little students that has reading's spirit or real their passion. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that looking at is not important, boring in addition to can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Pocket Dictionary for the Study of Biblical Hebrew can make you sense more interested to read.
