The House of Stairs

Ruth Rendell

The House of Stairs Ruth Rendell

When Lizzie and Bell meet for tea after nearly two decades apart, the topic of conversation is murder—one that Bell herself committed

When Elizabeth Vetch spots Bell for the first time in seventeen years, she chases her down in order to learn why her old friend committed a terrible murder all those years ago. Bell has been in prison ever since the mysterious events that took place at the House of Stairs, a London mansion full of over-privileged, overstuffed, and somewhat sinister boarders, landed her there. Now it's up to Lizzie to put together the pieces of her friend's—and her own—fateful past.

As the story behind Bell's crime unfolds, master of suspense Barbara Vine keeps readers guessing at the victim and the motive, letting the sword of Damocles hang over the heads of a fascinating and richly drawn cast of characters.

From reader reviews:

David Bostick:

Reading a guide tends to be new life style in this era globalization. With reading through you can get a lot of information that could give you benefit in your life. Along with book everyone in this world can easily share their idea. Publications can also inspire a lot of people. Lots of author can inspire their reader with their story or perhaps their experience. Not only the storyplot that share in the publications. But also they write about the knowledge about something that you need example of this. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors nowadays always try to improve their talent in writing, they also doing some research before they write to their book. One of them is this The House of Stairs.

Christine Andrews:

A lot of people always spent all their free time to vacation as well as go to the outside with them loved ones or their friend. Did you know? Many a lot of people spent many people free time just watching TV, or maybe playing video games all day long. In order to try to find a new activity honestly, that is look different you can read a book. It is really fun for you personally. If you enjoy the book that you just read you can spent all day long to reading a book. The book The House of Stairs it is quite good to read. There are a lot of people who recommended this book. We were holding enjoying reading this book. If you did not have enough space to deliver this book you can buy the e-book. You can m0ore easily to read this book from a smart phone. The price is not too costly but this book provides high quality.

Jenna Quintana:

Reading a book for being new life style in this calendar year; every people loves to read a book. When you go through a book you can get a great deal of benefit. When you read books, you can improve your knowledge, because book has a lot of information upon it. The information that you will get depend on what types of book that you have read. In order to get information about your analysis, you can read education books, but if you act like you want to entertain yourself look for a fiction books, this sort of us novel, comics, in addition to soon. The The House of Stairs will give you a new experience in studying a book.

Keith Robertson:

Is it anyone who having spare time and then spend it whole day by watching television programs or just laying on the bed? Do you need something new? This The House of Stairs can be the solution, oh how comes? It's a book you know. You are so out of date, spending your free time by reading in this fresh era is common not a nerd activity. So what these books have than the others?
