The Mind Thieves (The Mind Readers Series) (Volume 2) Lori Brighton

What would you do if someone told you that your past and everything you believed was a lie? Cameron Winters is a freak, a mind reader who can hear the thoughts of those around her. Although her life has been far from ideal, she has finally found peace on a Caribbean island far away from her troubles. But her troubles are about to find her in the form of a gorgeous government agent named Maddox. Maddox claims Cameron's father sent him to protect her from encroaching enemies. There's only one problem...Cameron's father has been dead for over a decade. When men arrive, threatening Cameron's very life, she has no choice but to trust Maddox and escape to the United States. Shockingly, Cameron realizes Maddox has been telling the truth all along when she's introduced to her father, a man she barely remembers. Suddenly, Cameron has everything she has always wanted...a family and home. But as her powers are exploited by the very people she trusts, Cameron realizes the old adage is only too true...be careful what you wish for.
