**With Thunder Point, #1 New York Times bestselling author Robyn Carr has created a town where hard work and determination are all it takes to make dreams come true**

Blake Smiley searched the country for just the right place to call home. The professional triathlete has traveled the world, but Thunder Point has what he needs to put down the roots he's never had. In the quiet coastal town, he can focus on his training without distractions. Until he meets his new neighbors and everything changes.

Lin Su Simmons and her teenage son, Charlie, are fixtures at Winnie Banks's house as Lin Su nurses Winnie through the realities of ALS. A single mother, Lin Su is proud of taking charge and never showing weakness. But she has her hands full coping with a job, debt and Charlie's health issues. And Charlie is asking questions about his family history—questions she doesn't want to answer.

When Charlie enlists Blake's help to escape his overprotective mother, Lin Su resents the interference in her life. But Blake is certain he can break through her barriers and be the man she and Charlie need. When faced with a terrible situation, Blake comes to the rescue, and Lin Su realizes he just might be the man of her dreams. Together, they recognize that family is who you choose it to be.
