Warning: For Mature Adult Audiences. Contains language and actions some may deem offensive. Sexually explicit content – MF A betrayal from the two people closest to her sends Jammi Price on the road to only place she ever experienced solace—a cabin her late aunt left to her. After a slick winter road and a long walk in the rain, Jammi finds herself face to face with Mr. Sexy Cowboy. Justin Henshall is no stranger to having life turned upside down. When his world fell apart, Mrs. Price stepped in, providing the love, comfort, and security to make him the man he currently was. After her death, Justin is hell bent on keeping the only place he ever felt safe. One trip in the snow and a broken ankle later, forces Justin to step up and take care of the little spitfire he so tried to avoid. Instead of the stuck up spoiled brat he had anticipated, he begins to see the true beauty she is, cracking the wall around his heart. A friendly poker game with his childhood buddies pushes him to claim what is his—Jammi. When clothes start to fly, Justin takes matters into his own hands and gives her a night filled with wild passion, laying his cards on the table. But...is it all just a huge bluff? When romance begins to bloom, will Justin be able to keep all he holds dear, or will Jammi be able to show him home is where the heart is?
