Genesis 1-4: A Linguistic, Literary, and Theological Commentary

C. John Collins

Genesis 1-4: A Linguistic, Literary, and Theological Commentary C. John Collins

Much controversy surrounds the opening chapters of Genesis. They are front-loaded with all manner of vital topics—such as God's work of creating the world and mankind; what it means to be human; why our present experience is so different from what we find in Genesis 2; how we come to know God and to be sure of his love.

Collins employs a literary-theological method informed by contemporary discourse analysis in order to read passages as coherent wholes. He shows how later biblical and inter-testamental writers have used Genesis 1-4 and reflects on how these chapters shape a Christian worldview today.
