Hate to Love You Elise Alden

Despite my slutty reputation, I was *technically* a virgin at eighteen. But it turns out all those sex-ed teachers aren't just trying to scare you. The faint positive on a budget pregnancy test sent me spinning, moments before meeting my sister's snooty new fiancé.

Shaking hands with upper-crusty James was like downing a triple shot of vodka. Dizzy with desire, confused by my body's reaction, and shocked by the possessiveness flashing in his eyes, I deceived him that night and told the world at their wedding reception.

The truth?

I slept with my sister's fiancé. Hot and sweaty, all night long in a room so dark he couldn't tell I wasn't her.

The lie?

Said fiancé is the father of my child. The one I signed over my rights to just before he was born.

That was seven years ago.

It's time to come clean.
