## **In the Midst of My World** Nylen D Johnson

In The Midst of my world is not what some call a autobiography but more like a reflection. Its a collaboration of stories and poetry that produced the journeys of one writer's life. He goes by many names in this book along with the people in his life he talks about. It has an evolutionary setting where the reader will get to know the writer from his youth to his adult hood through poetic and story format. It should touch your heart and open your mind to a whole new approach of writing.
