**Static Contraction Training** Peter Sisco, John Little

"This is truly an incredible discovery that could cause physiology books to be rewritten." -- *Ironman Magazine* "A thorough, productive weight workout in less than three minutes? You better believe it! Larger muscles. Stronger techniques. Fewer injuries. What more do you want?" -- *Martial Arts Training Magazine* From bodybuilding and fitness pioneers Peter Sisco and John R. Little comes this revolutionary guide to building maximum muscle size and strength--using workouts that last as little as two minutes! Based on the authors' groundbreaking new research, *Static Contraction Training* reveals how a program consisting of only six 15- to 30-second exercises per workout will build muscle size and strength more efficiently than any other method. Learn firsthand the concepts that are revolutionizing bodybuilding, including:

The "law" that guarantees you huge muscle growth Whether you are a weekend athlete, beginning bodybuilder, or champion, the information in this book will forever change the way you view bodybuilding and strength training exercise. Peter Sisco is editor of *Ironman Magazine's Ultimate Bodybuilding* series and co-author of *Power Factor Training* and *The Golfer's Two-Minute Workout*. John R. Little, the innovator of the Static Contraction Method of strength training, is the editor of the Bruce Lee Library Series and co-author of *Power Factor Training* and *The Golfer's Two-Minute Workout*.

### **From reader reviews:**

Leticia Simmons: Do you have favorite book? In case you have, what is your favorite's book? Book is very important thing for us to be aware of everything in the world. Each publication has different aim or perhaps goal; it means that e-book has different type. Some people feel enjoy to spend their time to read a book. They can be reading whatever they have because their hobby is definitely reading a book. Why not the person who don't like studying a book? Sometime, person feel need book after they found difficult problem or maybe exercise. Well, probably you will need this Static Contraction Training.

Pauline Mueller: As people who live in often the modest era should be upgrade about what going on or data even knowledge to make them keep up with the era that is always change and advance. Some of you maybe will probably update themselves by studying books. It is a good choice for you personally but the problems coming to you actually is you don't know what type you should start with. This Static Contraction Training is our recommendation to cause you to keep up with the world. Why, because book serves what you want and wish in this era.

John Charles: Spent a free time for you to be fun activity to complete! A lot of people spent their down time with their family, or their particular friends. Usually they carrying out activity like watching television, going to beach, or picnic within the park. They actually doing same thing every week. Do you feel it? Will you something different to fill your own free time/ holiday? Could be reading a book can be option to fill your no cost time/ holiday. The first thing you will ask may be what kinds of publication that you should read. If you want to test look for book, may be the guide untitled Static Contraction Training can be very good book to read. May be it is usually best activity to you.

Mamie Crossett: Exactly why? Because this Static Contraction Training is an unordinary book that the inside of the e-book waiting for you to snap it but latter it will shock you with the secret the idea inside. Reading this book alongside it was fantastic author who have write the book in such amazing way makes the content interior easier to understand, entertaining way but still convey the meaning completely. So , it is good for you for not hesitating having this ever again or you going to regret it. This unique book will give you a lot of benefits than the other book possess such as help improving your skill and your critical thinking method. So , still want to postpone having that book? If I ended up you I will go to the book store hurriedly.
