The Korean War

Cameron Forbes

The Korean War Cameron Forbes

The Korean War was a 20th Century conflict that has never ended. South Korea, a powerhouse economy and dynamic democracy sits uneasily alongside North Korea, the world's most secretive, belligerent, unpredictable, and repressive totalitarian state. Today, tensions simmer and occasionally flare into outright violence on a peninsula dense with arms, munitions, and nuclear warheads.

Cameron Forbes, acclaimed author of *Hellfire*, tells the story of the war and Australia's involvement in it in a riveting narrative. From the letters and diaries of those diggers who fought across Korea's unforgiving hills and mountains to the grand strategies formulated in Washington, Moscow, and Beijing, *The Korean War* reveals the conflict on all its levels?human, military, and geopolitical.
