7 Charting Tools for Spread Betting: A practical guide to making money from spread betting with technical analysis Malcolm Pryor

Following on from the success of his first two books, 'The Financial Spread Betting Handbook' and 'Winning Spread Betting Strategies', Malcolm Pryor now provides the spread bettor with a detailed understanding of 7 key charting tools. Each tool has a role to play in the success of the spread bettor, and the tools can be used in combination to construct powerful trading strategies. This new book is written in a punchy and economical style, presenting much of its teaching through carefully chosen examples of charts. The focus is on practical technical analysis techniques which are directly relevant to spread bettors and traders.
