Contesting the Indian City: Global Visions and the Politics of the Local

Contesting the Indian City: Global Visions and the Politics of the Local

Contesting the Indian City features a collection of cutting-edge empirical studies that offer insights into issues of politics, equity, and space relating to urban development in modern India.

- Features studies that serve to deepen our theoretical understandings of the changes that Indian cities are experiencing
- Examines how urban redevelopment policy and planning, and reforms of urban politics and real estate markets, are shaping urban spatial change in India
- The first volume to bring themes of urban political reform, municipal finance, land markets, and real estate industry together in an international publication
