Her Unexpected Wolf: BBW Paranormal Shape Shifter Romance (Paranormal Dating App Adventures Book 1) Sasha Quinn

When Karen's marriage of 6 years ends, she is left childless and pushing forty years of age. Suddenly back in the dating pool, that isn't going so great for her either—she's about ready to throw in the towel.

Before she totally gives up, though, she decides to give things one more shot by trying the new paranormal dating app for shifters, Shapr. On her first shapr date, she meets Rodney, a sexy wolf shifter.

Rodney is hot, smart, and appears to love Karen inside and out; everything her ex-husband never did. And the sex is...well...sizzling. Karen almost can't believe how good things are going.

But there is one thing Karen still wants that Rodney—or anyone—can't give her: a baby. If six years of having unprotected sex with Karen's ex-husband was any indication, Karen's womb seems as dry as the mohabi desert.

Nevertheless, Karen can still dream of a baby for her sexy Alpha shifter. And maybe if the sex is hot enough, they'll wind up with one...

WARNING: This book contains some sizzling hot shifter sex and a sassy female protagonist. If that's not for you, you might want to skip this book. If that's what you're into, read away!
