How to Get Laid Today! The System Roy Valentine

Introduction

Here are three important questions men all over the world would like answered:

1. Is there a process, a technique, or a system that the average guy can use to get laid any day of the week without the need for wealth, fame, or good looks?
2. Is it possible to take home girls and have sex with them, hours, minutes or even seconds after you first lay eyes on them?
3. Are there men out there who possess this skill, this know-how that seems to elude most other men?

This book not only answers these critical questions asked by men everywhere, but it actually gives step-by-step instructions and real-life examples on how to achieve these goals.

This is not a book about romance, relationships, or how to find the woman of your dreams. These things may happen as a result of this book, but they aren't a big concern for most men. This book is about achieving one goal dear to men everywhere: getting laid TODAY. It teaches you how to identify the right woman, seduce her, take her home, and have sex with her within minutes of seeing her for the first time.

The System technique is simple. Everyone can do it! And the more it's done, the better you become. The game therefore changes from 'how to get laid' to 'how to manage all these women you have sex with.'

The goal of the System Series is to help men improve the quality of their lives by having more and better sex. This is done by helping men build their confidence by learning how to identify, meet, and take home amazingly sexy women. Book Two teaches both men and women how to become amazing lovers of women. Book Three explores the kinky side of human sexuality.

The System Series includes the following titles:

- Book One: How to Get Laid Today!
- Book Two: Super Lover
- Book Three: Kinky Sex
