BOOK #1: How To Knit: 50 Tips For Knitting for Beginners (With Photos)

This book is full of tips for those who are just learning how to knit. It is not a how to book but is designed so that you will learn the best tips and tricks to help you when you are learning to knit.

In the book you are going to:

- Get ten tips per chapter that will help you while you learn how to knit
- How to store your yarn so that it does not become tangled
- How to choose your yarn for your projects
- How to store your knitting needles so they do not get bent or lost
- How to store your knitting needles so they do not get bent or lost

At the end of each chapter one specific issue will be addressed in detail and you will be given several different solutions to the problems. There is no tip in this book that you will not be able to put to use. From learning how to not lose your stitches when you lay a project down to learning how you can use crochet to finish the seams of your projects there is something in this book for everyone.

BOOK #2: Quilting for Beginners: The Complete Guide to Ideal Quilting and Attaining Amazing Quilting Result!

In this handy, step-by-step guide, we will take you through the process of quilting your very own queen-sized quilt. This guide will walk you through the every step, from picking your fabrics to the types of batting available to the tools you'll need for a successful project.

You will receive advice on different materials, what works and what doesn't, and techniques to avoid. You will learn cutting techniques, and what trusted pieces of sewing tech are not so trustworthy when working with a quilt.

We will discuss how to properly measure your squares, and what it takes to make your random pile of cloth into a treasured keepsake. Everything from working with seams to when to iron, to handling the pinning will be covered in this comprehensive guide.

By the time you are finished with this guide, you will have a solid understanding of the amazing quilting process. Let this be the first step in creating a treasured keepsake for you and your family for years to come. Come on, let's get quilting!

Here is what you will learn after reading this book:

- quilting terms and tools
- where to find the necessary items for a successful project
- do's and don'ts of quilting
- and much more
