Why is a notorious religious cult of assassins keeping him alive?

In this nail-biting suspense thriller, the hero's teenage daughter is taken in a blood-thirsty murder by a giant winged serpent; her body is left mysteriously shriveled and crushed. A former WWII MI6 agent, our anonymous hero is suspected of the crime by the police and his divorcing wife.

With strange powers of foresight, he goes on the run to clear his name. He has only one friend, a historian and member of the modern Knights Hospitaller, but with this help, he embarks on a white-knuckle ride to salvation.

In Paris, a witch servant of the mysterious Catholic assassin sect Concilium Putus Visum seduces him during his quest for the secret weapon of the Cathars. If he can solve a puzzling set of clues to find the weapon, he might kill the monster and save his marriage.

But why do the assassins and the vampire snakes seem to be protecting him? Why is his grandfather's body no longer where it should be; in his grave? What supernatural secret about the family was the old man trying to reveal to him before he died?

Lovers of Dan Brown's evocative mix of mystery and history will love this Occult Thriller - a dark and powerful, nerve-shredding tale, which neatly deftly combines crime thriller aspects with the occult and historical.

From the author:

My own family's roots, uncovered over ten years, had led me to one Guillaume; a Chevalier (Knight) in 13th Century Languedoc, France; my earliest ancestor. Simultaneously, I had pursued a theological interest in the **Cathars**, first through reading a number of books about the **Knights Templar** and **Dan Brown's The Da Vinci Code** and later, an interest in **Monségur** and the **Rennes-le-Château**, near where the lost treasure of the Cathars is said to be hidden.

Around the same time I was starting this work, my interest in the paranormal became focused around reincarnation and **lycanthropy (werewolves and vampires)**. I have always loved old **Hammer Horror** films and particularly the work of **Christopher Lee** and **Peter Cushing**. I have also always been interested in luck, and the constant battle between good and evil, light and dark, and yin and yang; who isn't? I mused that some people have luck so bad that it kills them, whereas others seem to lead a charmed life. I decided that my main character must have some kind of rare interaction with luck and the forces of good and evil.

From there, I developed the idea that in fact both **Satan** and **God** might encounter him in **Highgate Cemetery** and he become a **Secret Agent** and later an amateur sleuth.

Yet another theme is **Witchcraft**. I have long been interested in the influence of **Gurdjieff** and **Mdm. Blavatsky** on modern western ideas. I also make frequent references to the **Malleus Maleficarum** - the witch-hunter's bible - and wicca, particularly **Gardnerian wicca**.

The final theme I wanted to get into my novel was the **Gothic**. The themes of murder, werewolves, vampires, blood, death, eroticism, sex and the paranormal are all things that I like in a novel. My influences are **Kate Bush**, **The Mission**, **Lord Byron**, **John Keats** (**The Eve of St. Agnes** is a particularly favourite poem of mine) and, to some extent, **Tolkien's Lord of the Rings**. Sex and death are the themes that everyone seems attracted to. As a consequence, I couldn't resist a climax to my novel that took place in one of the world's greatest Gothic masterpiece...
