That book was represented how do the world has grown up. The language styles that writer use to explain it is easy to understand. The actual writer made some research when he makes this book. Honestly, that is why this book acceptable all of you.

#### **Silvia Doucet:**

As a university student exactly feel bored to help reading. If their teacher expected them to go to the library or make summary for some guide, they are complained. Just very little students that has reading's internal or real their interest. They just do what the professor want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that reading through is not important, boring along with can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this *They Said We'd Never Make It: My Life With Erik Menendez* can make you feel more interested to read.
