Dragon Heart/Magic Collection: Paranormal Shifter Romance (Elise Ddraig, Dragon Chosen) James D Horton

Two book collection Dragon Heart / Dragon Magic (Elise Ddraig, Dragon Chosen) with BONUS MATERIAL

Last year I was three years old. Now, one year later, I'm nineteen. Mostly. Magic, got to love it. My father is the King of the Gold Dragons Archer Ddraig. My mother, the Queen, is Jennifer. Oh and my other father is First Knight of the Realm Logan. Yeah two dads, one mom, I know I'm weird. Or special. I prefer special most of the time. Except right now.

Lou's my bodyguard, best friend, and if I'm being honest, my ongoing crush. He has dark, wavy hair, wide, stocky shoulders and the most gorgeous face any man could ever have. Strong jaw, just the right amount of beard line, sharp nose, and the bluest eyes I've ever seen. He's everything that makes a man sexy.

Dragon Heart

Right now I can't control my magic, I don't understand my suddenly adult body, I have no friends, and somehow I've managed to piss off the King of the Werewolves. Oh, all while facing off against a necromancer that's threatening me and those I care about.

Dragon Magic

I got my only friends seriously hurt. I keep having these totally weird - but totally smokin' hot memories of Lou that aren't mine. A shape shifting jaguar whose supposed to train me hates my guts. Oh and no one wants to let me just be me.

Being the Chosen One sucks and I'm pretty sure this is just the beginning.

BONUS #1 *It's in the Blood* Extra Chapter featuring the heart-racing villain Mateas

BONUS #2 *Character Interview* Columnist Interview with Lou
