Disney War

James B. Stewart

Disney War James B. Stewart

"When You Wish Upon a Star," "Whistle While You Work," "The Happiest Place on Earth"—these are lyrics indelibly linked to Disney, one of the most admired and best-known companies in the world. So when Roy Disney, chairman of Walt Disney Animation and nephew of founder Walt Disney, abruptly resigned in November 2003 and declared war on chairman and chief executive Michael Eisner, he sent shock waves through the entertainment industry, corporate boardrooms, theme parks, and living rooms around the world—everywhere Disney does business and its products are cherished.

DisneyWar is the breathtaking, dramatic inside story of what drove America's best-known entertainment company to civil war, told by one of our most acclaimed writers and reporters.

Drawing on unprecedented access to both Eisner and Roy Disney, current and former Disney executives and board members, as well as thousands of pages of never-before-seen letters, memos, transcripts, and other documents, James B. Stewart gets to the bottom of mysteries that have enveloped Disney for years: What really caused the rupture with studio chairman Jeffrey Katzenberg, a man who once regarded Eisner as a father but who became his fiercest rival? How could Eisner have so misjudged Michael Ovitz, a man who was not only "the most powerful man in Hollywood" but also his friend, whom he appointed as Disney president and immediately wanted to fire? What caused the break between Eisner and Pixar chairman Steve Jobs, and why did Pixar abruptly abandon its partnership with Disney? Why did Eisner so mistrust Roy Disney that he assigned Disney company executives to spy on him? How did Eisner control the Disney board for so long, and what really happened in the fateful board meeting in September 2004, when Eisner played his last cards?

Here, too, is the creative process that lies at the heart of Disney—from the making of *The Lion King* to *Pirates of the Caribbean*. Even as the executive suite has been engulfed in turmoil, Disney has worked—and sometimes clashed—with a glittering array of stars, directors, designers, artists, and producers, many of whom tell their stories here for the first time.

Stewart describes how Eisner lost his chairmanship and why he felt obliged to resign as CEO, effective 2006. No other book so thoroughly penetrates the secretive world of the corporate boardroom. *DisneyWar* is an enthralling tale of one of America's most powerful media and entertainment companies, the people who control it, and those trying to overthrow them.

DisneyWar is an epic achievement. It tells a story that—in its sudden twists, vivid, larger-than-life characters, and thrilling climax—might itself have been the subject of a Disney animated classic—except that it's all true.

From reader reviews:

Annie Boyd:

Book will be written, printed, or highlighted for everything. You can learn everything you want by a publication. Book has a different type. As you may know that book is important point to bring us around the world. Alongside that you can your reading proficiency was fluently. A publication Disney War will make you to become smarter. You can feel a lot more confidence if you can know about anything. But some of you think in which open or reading a new book make you bored. It is not make you fun. Why they are often thought like that? Have you trying to find best book or suitable book with you?

Frank Huynh:

What do you think about book? It is just for students as they are still students or it for all people in the world, exactly what the best subject for that? Just simply you can be answered for that question above. Every person has different personality and hobby for every other. Don't to be compelled someone or something that they don't need do that. You must know how great in addition to important the book Disney War. All type of book would you see on many options. You can look for the internet resources or other social media.

Roger Waldrop:

Now a day folks who Living in the era just where everything reachable by connect to the internet and the resources inside can be true or not demand people to be aware of each facts they get. How many people to be smart in having any information nowadays? Of course the solution is reading a book. Reading through a book can help people out of this uncertainty Information especially this Disney War book because book offers you rich facts and knowledge. Of course the information in this book hundred pct guarantees there is no doubt in it you may already know.

Ashley Davis:

As a student exactly feel bored for you to reading. If their teacher expected them to go to the library or to make summary for some guide, they are complained. Just small students that has reading's internal or real their pastime. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that reading through is not important, boring along with can't see colorful pics on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Disney War can make you experience more interested to read.
