Inherent Gifts: A Supernatural Slave Story Alicia Cameron

Life was never the same again after The Fall, especially for those born with certain gifts that set them apart from others. Gifts that doomed those like Wren to a life of slavery with no hope of escape or turned a man like Jere into an unwilling master. When a fiery tragedy brings Jere into Wren's life it becomes clear that this new master is like nobody else Wren has ever known. How does a slave protect himself from someone unpredictable? Can love really exist between master and slave, or will it destroy them both? (M/M)
