Sun Tzu

The Art of War (Wisehouse Classics Edition) Sun Tzu

THE ART OF WAR (Chinese: pinyin: S n z b n g f) is an ancient Chinese military treatise attributed to Sun Tzu, a high-ranking military general, strategist and tactician, and kindred to the Realpolitik of his time, termed in China as Legalism. The text is composed of 13 chapters, each of which is devoted to one aspect of warfare. It is commonly thought of as a definitive work on military strategy and tactics. It has been the most famous and influential of China's Seven Military Classics, and "for the last two thousand years it remained the most important military treatise in Asia, where even the common people knew it by name." It has had an influence on Eastern and Western military thinking, business tactics, legal strategy and beyond. Beyond its military and intelligence applications from earliest days to the present time, THE ART OF WAR has been applied to many fields well outside of the military. Much of the text is about how to fight wars without actually having to do battle: it gives tips on how to outsmart one's opponent so that physical battle is not necessary. As such, it has found application as a training guide for many competitive endeavors that do not involve actual combat. There are business books applying its lessons to office politics and corporate strategy. Many companies make the book required reading for their key executives. The book is also popular among Western business management, who have turned to it for inspiration and advice on how to succeed in competitive business situations. It has also been applied to the field of education. The Art of War has been the subject of law books and legal articles on the trial process, including negotiation tactics and trial strategy.(more on www.wisehouse-classics.com)"

From reader reviews:

Sheila Cyr:

Hey guys, do you wish to find a new book to study? Maybe the book with the title The Art of War (Wisehouse Classics Edition) suitable to you? Typically the book was written by a well-known writer in this era. Often the book entitled The Art of War (Wisehouse Classics Edition) is the main of several books that everyone reads now. That book has inspired many men and women in the world. When you read this guide you will enter the new dimension that you have never known before. The author explained their plan in a simple way, consequently all of people can easily recognize the core of this publication. This book will give you a wide range of information about this world now. So you can see the representation of the world in this particular book.

Tracy Rendon:

The guide with title The Art of War (Wisehouse Classics Edition) includes a lot of information that you can discover it. You can get a lot of help after reading this book. This specific book exists new information that exists in this book representing the condition of the world today. That is important to you to understand how the improvement of the world. This specific book will bring you with a new era of internationalization. You can read the e-book on your own smart phone, so you can read the item anywhere you want.

George Medrano:

The reason why? Because this The Art of War (Wisehouse Classics Edition) is an extraordinary book that the inside of the guide is waiting for you to snap it but later it will distress you with the secret it has inside. Reading this book close to it was fantastic, the author who also wrote the book in such an amazing way makes the content inside easier to understand, an entertaining approach but still conveys the meaning entirely. So, it is good for you for not hesitating having this ever again or you going to regret it. This book will give you a lot of advantages than the other books include such as help improving your skill and your critical thinking method. So, still want to delay having that book? If I have been you I will go to the publication store hurriedly.

Leroy Raymond:

It is possible to spend your free time to study this book this publication. This The Art of War (Wisehouse Classics Edition) is simple to bring you can read it in the park, in the beach, train and soon. If you did not have much space to bring typically the printed book, you can buy typically the e-book. It is much easier to read it. You can save the actual book in your smart phone. So there are a lot of benefits that you will get when one buys this book.
