The Chris Farley Show: A Biography in Three Acts

Tom Farley, Tanner Colby

The Chris Farley Show: A Biography in Three Acts Tom Farley, Tanner Colby
A biography of the Saturday Night Live star as told by his friends and family

No one dominated a stage the way Chris Farley did. For him, comedy was not a routine; it was a way of life. He could not enter a room unnoticed or let a conversation go without making someone laugh. Fans knew Chris as *Saturday Night Live*'s sweaty, swaggering, motivational speaker; as the irresistible Chippendales stripper; and as Tommy Callahan, the underdog hero of *Tommy Boy*. His family knew him as sensitive and passionate, deeply religious, and devoted to bringing laughter into others' lives.

But Chris did not know moderation, either in his boundless generosity toward friends or in the reckless abandon of his drug and alcohol abuse. For ten years, Chris cycled in and out of rehabilitation centers, constantly fighting his insecurities and his fears. Despite three hard-fought years of sobriety, addiction would ultimately take his life at the tragically young age of thirty-three. Fame on *SNL* and three straight number-one box office hits gave way to a string of embarrassing public appearances, followed by a fatal overdose in December 1997.

Here is Chris Farley as remembered by his family, friends, and colleagues—the true story of a man who lived to make us laugh and died as a result. *The Chris Farley Show* is an evocative and harrowing portrait of a family trapped by addiction, a father forced to bury a son, and a gifted and kindhearted man ultimately torn apart by the demons inside him.
