(Catch Me If You Can is a romantic suspense novel)

Diligence. Focus. Agility.

For Naomi Prescott, it's not just a cute little saying. It's a critical mantra, words to live by if she wants to retain her freedom, and more importantly, her life. Impeccable planning is the only way to ensure she sets off the small flutters that will trigger the big ripple she needs to pull off the score of a lifetime — no matter the stakes.

FBI Agent Marcus Calloway is a straight-shooter... if you overlook his sometimes unconventional, law-skirting, expensive ways of solving a case. A big arrest would do wonders to restore his reputation, and he has one woman in mind: Jolie Voleuse

Unforeseen circumstances force them into a closer proximity than either — especially Naomi — would like to be. Sparks fly, and as surely as fire ignites, eventually their undeniable chemistry combusts into a passion that neither expected as they join forces in the dangerous pursuit of a common bounty.

[PLEASE NOTE that Catch Me If You Can is the first title in a continuous series that will carry over three books. Book 2 will be released in February 2015]
