R. Buckminster Fuller

Operating Manual for Spaceship Earth by Fuller, R. Buckminster published by Simon & Schuster (Paper) Paperback R. Buckminster Fuller

Published in 1969, this is a second printing of the paperback edition. A fun and fascinating read. Many would argue that the mad-genius Fuller was ahead of his times, "wherefore living on our energy savings by burning up fossil fuels which took billions of years to impound from the Sun or living on our capital by burning up our earths atoms is lethally ignorant and also utterly irresponsible."
