AP tests have become a significant part of many students' application packages. Not only can a good score improve their chances of acceptance, it can save their families money. This newly updated guide contains a detailed overview of European history from 1450 to the present. Also included is a chapter of enrichment resources-primary and secondary source readings, Internet resources, and historical movies. Peterson's AP Series speaks to students who've put in the study time and have a pretty good idea of where they're headed. This new volume comes with a tried and true system for building confidence and improving scores. Features:

- \* A diagnostic pretest to help test takers determine where they stand
- \* Full length practice tests with detailed explanatory answers
- \* Expert strategies for tracking standardized tests
- \* In depth subject review
