## **Cosmetic Dermatology** Cheryl M. Burgess

This book provides the dermatologist with the essential information needed to properly treat all skin types cosmetically.

All chapters have been written by female dermatologists with many years of personal experience in the field.

The volume includes an overview of the systemic, intrinsic and extrinsic aging process, essential information on anti-aging skin care product ingredients, detailed discussions of patient selection and indications, and a wide range of cosmetic procedures.

This concise book allows you - through its well-organized use of sidebars, photographs and illustrations - to extract any information you may need quickly and easily.
