How Long Does it Take to Catch a Fish: The loss of a father, the discovery of a son and the truth about homework, bottle rockets and modified softball. Bill Byrne

“How Long Does it Take to Catch A Fish” is a collection of stories about fathers and sons and sons and fathers. It explores how dads and their male offspring can be understood as two sides of the same coin – unique yet intertwined, shaping one another across generations.

It is a personal journey, documenting boyish indulgences and grown-up anxieties. How long does it take to catch a fish? How do we learn to appreciate and guide the people that are important in our lives? I do not presume to offer answers – only thoughtful observations. These remembrances of adventures with my adolescent son, sometimes ordinary, sometimes poignant, serve as guideposts in my own coming to terms with the loss of my father. It was a story I needed to write to understand, as much as to share.

The stories will appeal across a broad spectrum of readers, each with their own compelling interest in the evolving relationship between a father and his son. Dad’s can identify in the humor and uncertainty voiced in an armchair quarterback’s critique of how I raised my son. Mom’s will appreciate the reflections at the end of each tale for their insight into the mysterious domain of the male psyche. Sons – well my son hates it when I tell him how he feels so you will have to ask one you know for their opinion!

From reader reviews:

Jan Doyle:

What do you think of book? It is just for students because they're still students or the idea for all people in the world, exactly what the best subject for that? Just simply you can be answered for that query above. Every person has diverse personality and hobby per other. Don't to be pushed someone or something that they don't need do that. You must know how great along with important the book How Long Does it Take to Catch a Fish: The loss of a father, the discovery of a son and the truth about homework, bottle rockets and modified softball.. All type of book are you able to see on many solutions. You can look for the internet resources or other social media.

Patrina Eaton:

A lot of people always spent all their free time to vacation or go to the outside with them household or their friend. Do you realize? Many a lot of people spent these people free time just watching TV, or perhaps playing video games all day long. In order to try to find a new activity here is look different you can read a new book. It is really fun in your case. If you enjoy the book which you read you can spent all day long to reading a reserve. The book How Long Does it Take to Catch a Fish: The loss of a father, the discovery of a son and the truth about homework, bottle rockets and modified softball. it is extremely good to read. There are a lot of those who recommended this book. We were holding enjoying reading this book. When you did not have enough space to deliver this book you can buy typically the e-book. You can m0ore simply to read this book from a smart phone. The price is not too costly but this book possesses high quality.

Joan Myers:

Why? Because this How Long Does it Take to Catch a Fish: The loss of a father, the discovery of a son and the truth about homework, bottle rockets and modified softball. is an unordinary book that the inside of the reserve waiting for you to snap this but latter it will distress you with the secret it inside. Reading this book beside it was fantastic author who else write the book in such amazing way makes the content on the inside easier to understand, entertaining technique but still convey the meaning completely. So , it is good for you for not hesitating having this anymore or you going to regret it. This unique book will give you a lot of gains than the other book get such as help improving your skill and your critical thinking approach. So , still want to postpone having that book? If I were being you I will go to the guide store hurriedly.

Andre Botsford:

Playing with family in a very park, coming to see the coastal world or hanging out with pals is thing that usually you might have done when you have spare time, subsequently why you don't try point that really opposite from that. A single activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love How Long Does it Take to Catch a Fish: The loss of a father, the discovery of a son and the truth about homework, bottle rockets and

modified softball., it is possible to enjoy both. It is excellent combination right, you still need to miss it? What kind of hang type is it? Oh come on its mind hangout people. What? Still don't buy it, oh come on its known as reading friends.
