**Living Trusts** Doug H. Moy

**Everything estate owners need to establish a successful living trust**

When properly designed, a revocable living trust can provide all of the estate tax-saving benefits available under a decedent's Last Will, eliminate a lifetime court-supervised financial guardianship of a person's financial affairs in the event of physical or mental incapacity, and, upon the trustor's death, facilitate estate administration without the necessity of a court-supervised process, or probate. Shockingly often, however, trusts are poorly designed and underfunded, nullifying all of their considerable advantages. *Living Trusts, Third Edition* shows the estate owner how to set up, fund, and manage a living trust that will protect the trustor's financial affairs in both life and death.
