## **A Timeline of the Last Days - Are You Ready?**

Many of you are aware of the significance of December 21 2012. But you may not be fully aware of the ways in which the Christian End Time events are being directed by the Satanically influenced Illuminati-Masonic group. For the past thousand years, this organization has profoundly effected the course of human events, and they will continue to direct current-day events toward the fulfillment of prophecies made up to four millennia ago. Prophesied Last Day Events examines how and why America's current political and economic crises have come about through a Satanically inspired plan carried out by our Satanically influenced political leaders. The author provides eye-opening scriptural proof of the evil corruption evident in government and leadership. You will then be led through the plan's development to the Last Day and End Time, with their crushing and inevitable consequences.

Author Jim Hendleman exposes you to an array of political and economic themes and categories, and focuses on what Satan is now doing to mankind. You will also learn more about God's prophesied past and expected future responses to Satan's actions on Earth. Future cataclysms, which those living today can expect to witness, are described in detail, and time-sequenced. These tribulations will rend mankind and the Earth from one end to the other, before returning both to the celestial glory of God the Father.

Prophesied Last Day Events is the incisive and courageous work of a Christian soldier trying to reconcile his faith in Christ, in America, and in America's God-given Constitution with the rise of top-level political dishonesty, and disappearing Christian and family values. The result may be unsettling, but Jim Hendleman provides a shocking and sobering truth that may be exactly what you need in order to prepare for what is to come.
