Raised Country (Southern Bred) (Volume 2) Willow Brooke

Warning: For Mature Adult Audiences. New Adult College Romance. Contains language and actions some may deem offensive. Sexually explicit content. MF In book two of Southern Bred: My name is Brandon West, I was born in this small town and have lived here my entire life. Some people leave, some come back, but I never wanted any part of that. This is my home and I'm proud of it. Growing up in these parts, either you're kin to half of the town and dated the other half at one point or another, or you are an outsider—meaning you won't be here long. With that outlook, imagine my surprise the day a little she-devil in stilettos and designer clothes drove up our dusty road—you guessed it—everything changed. Facing lush lips, full hips, long legs, and eyes that can see straight through to your soul are hard to ignore, so what started as a plan for a few nights of fun, soon got a little more complicated than I anticipated. When left with no choice, what do I do? Well, what else is there, besides tying her little fine ass up and teaching her a lesson, country style.
