Surviving in the Storm: My True Experiences Can Help You Bruce Brummitt

A page-turner, *Surviving In the Storm* tells gripping true stories of Christians who have lived out their Christian faith under the hand of authoritarian government. Author Bruce Brummitt delivers an exciting, easy-to-read book about amazing things he and Eastern European believers experienced in the 1980s behind the Soviet Union's communist Iron Curtain.

If you are a Christian in America, *Surviving In the Storm* will inspire you to rely on God's guidance as liberties continue to erode. It will convince you to have faith in God to provide miraculous help amid a government that is increasingly repressive and hostile toward the church.

If you are concerned about America's future and the rise of overreaching government oppression, *Surviving In the Storm* is sure to fan the flame of hope in you and cause you to rise up and trust in the Lord.
