Chotti Munda and His Arrow Mahasweta Devi

Written in 1980, this novel by prize-winning Indian writer Mahasweta Devi, translated and introduced by Gayatri Chakravorty Spivak, is remarkable for the way in which it touches on vital issues that have in subsequent decades grown into matters of urgent social concern.

- Written by one of India's foremost novelists, and translated by an eminent cultural and critical theorist.
- Ranges over decades in the life of Chotti – the central character – in which India moves from colonial rule to independence, and then to the unrest of the 1970s.
- Traces the changes, some forced, some welcome, in the daily lives of a marginalized rural community.
- Raises questions about the place of the tribal on the map of national identity, land rights and human rights, the 'museumization' of 'ethnic' cultures, and the justifications of violent resistance as the last resort of a desperate people.
- Represents enlightening reading for students and scholars of postcolonial literature and postcolonial studies.
