Ode To The Wicker Man: Book II ("Burn Baby Burn!") Nancy Smith

What might Richard Nixon and the Charles Manson have in common? What might Gerald King-Ford and John Lenin's assassin have in common? What might Ronald Reagan and Lt. Col. (Dr.) High Priest Michael Aquino have in common? What might Reverend Billy Graham and Michael Aquino and George H.W. Bush have in common? Where do President George W. Bush Jr., Vice President "Dick" Cheney, Reverend Pat Robertson, and Reverend Tim LaHaye fit into this picture? What might this spider's web of intrigue reveal to us? Are the "born agains" in and around the White House REALLY "born agains?" Or are they something- quite different-indeed? If you are interested in the Satanic cult scare-the child sexual abuse epidemic-the allegations of child ritual abuse that have come forth over the past couple of decades-the makeup of some of our most notorious killers, serial killers, and killer-cult gurus this book is for YOU. And ya' might get more ('Tis sad to say) than you bargained for. This is an important book. It is a work of the heart. It is the work of a broken heart. My condolences (I kid you not) to all who read it I hope we can somehow make a difference.
