The Officers' Club Ralph Peters

Spring, 1981. Vietnam is over, but the repercussions linger. The military strives to recover as society reels from the excesses of the 1970s...

A sinister beauty and a dutiful soldier... a Hollywood lawyer running from a dirty past and a cast-off vet who seems to have no future... dueling drug gangs along the Mexican border... and the mutilated remains of a female lieutenant.

Stunning, promiscuous, and brilliant at spotting the weaknesses in others, Jessie Lamoureux may have been killed by a jealous lover, a drug smuggler—or a ghost from a life she hoped she had left behind.

Was her murderer the Green Beret she betrayed? The captain whose marriage she shattered? The senior officer hoping to save her from herself? A female sergeant fighting for dignity in a man's world? Or a fellow lieutenant with a secret of his own?

In this gritty tale of young men and women torn between the laws of the land and the laws of the heart, a dark journey leads from a moonlit beach in Mexico to mayhem in Iran—then back to a country looking for its soul.

The Officers' Club captures the passions and confusion of the times, the reckoning due after a decade of indulgence—and the commitment of those who stayed in uniform through the bad years.

As the military and society struggle to right themselves, their conflicts are embodied in the question:

Who killed Lieutenant Jessie Lamoureux?
