Fragments Grave and Gay:

Karl Barth

Fragments Grave and Gay: Karl Barth

Karl Barth was one of the intellectual giants of the twentieth century. Pope Pius XI called him the greatest theologian since Saint Thomas Aquinas. But he was also a popular preacher in Basel and the author of the formidable Church Dogmatics had a lighter touch as well. This is revealed in this enchanting collection of fragments. Not only do they capture the gaiety and gravity of Barth in a simple and homely style; they also contain, in a delightfully digestible form, the essence of what he had to say about the Bible, theology, and the task of Christians in the modern world.
