## **Hiking Machu Picchu (Bucket Adventure Guides Book 2) Keith McGowan**

Looking for adventure before the Grim Reaper knocks on your door? If ascending the Peruvian Andes on the Inca Trail to see the ruins of Machu Picchu, the lost city of the Incas, is on your bucket list (and it should be), this book can answer your questions and maximize your adventure.

Packed with photographs and illustrations, Hiking Machu Picchu explains what to expect and how to prepare for the trip of a lifetime. This bucket adventure guide contains answers to specific questions about Peru and its unique culture. Learn about the Inca Trail, things to see in Peru besides Machu Picchu, Peruvian cuisine, and how to deal with llamas. Get recommendations of places to explore, things to see, and adventures to experience.

Links within the table of contents whisk the reader directly to answers to questions about Peru and Machu Picchu; external links take the reader to websites and videos with more information. Photographs expand to fill the reader's screen. Filled with practical information, Hiking Machu Picchu contains historical, cultural, and geographic backgrounds on icons, people, and places.

A note on bucket adventure guides: This book is the second volume in a series of informative and entertaining ebooks that include:

Rafting the Grand Canyon: a somewhat accurate but highly entertaining account of the Perils of the Great Unknown along with biased suggestions on how to overcome such Perils without significant loss of life but probable minor damage to a limb or two

Hiking Machu Picchu: Somewhat amusing answers to common and uncommon questions about visiting the Lost City of the Incas including Important Insights on Dealing with Llamas

Driving New Zealand: How to navigate the wrong side of the road down under without running over a kiwi or being run over by a Kiwi

Every bucket guide contains photographs, a what to take list, lots of things to do, and things to avoid, based on the author's personal experience and research.

The entire ebook is searchable, and internal and external links get you quickly to the information you want to know about.
