#1 Spy Stories, #1 Suspense Best-Selling Action Author

How far will Alex Morgan go to repay the man who saved his life?

Friends are a luxury that agents of INTERPOL's blacks ops division cannot afford, but Alex Morgan wasn't always a spy.

When a former US Army Ranger who saved Morgan's life in Afghanistan reaches out, convinced that Morgan is the only person who can help him, Morgan springs into action.

War hero John Nash has been off the grid for two years. Homeless and forsaken by the government that decorated him for valor, Nash believes he has discovered a trail of treachery and subterfuge that leads straight to the White House. And he might just be right. Hidden in plain sight behind a fortress of spin-doctored hype, the fate of humankind is being traded for votes.

Unable to sanction the mission via INTREPID, Morgan sheds their protection and goes solo. But what chance do they stand, a rogue agent and a homeless veteran, against the might of the US establishment?

This spy novella in the vein of Ian Fleming is perfect for readers of Frederick Forsyth and Clive Cussler.

RANGER: Intrepid 4.5 is the newest in the **Alex Morgan Interpol Thriller series** taking readers by storm...
Pre-order it today.

REVIEWS FOR THE INTREPID SERIES

A military thriller with a cracking pace in the James Phelan or Matthew Reilly vein." *The West Australian*

"This story was brutal and dark in places. It reveals in this starkly told story that there will always be those men who fight for the good and those who care nothing about the rest of humanity but only hunger for power and wealth." *Douglas C. Meeks, Amazon Top 500 reviewer*

"If you really like escapist novels, this one's for you." *ABC Local Radio Sydney*

"Alex Morgan is a character that has leading movie man written all over him. He is quite simply put a bada*s. He takes a beating, gets back up, takes some more and somehow never ends up half dead. He is the perfect hero spy. I can't wait to read more." *Jay Mittener, Amazon Top 500 reviewer*

"He is set to give the likes of Tom Clancy and Robert Ludlum a run for their money." *The Australian Army Newspaper*

"Alex Morgan the Interpol special agent is the most exciting Spy/Thriller Series since Ian Fleming's James Bond." *An Cosantoir Magazine (The Defender)*
