How is this book unique?

Formatted for E-Readers, Unabridged & Original version. You will find it much more comfortable to read on your device/app. Easy on your eyes.

Includes: 15 Colored Illustrations and Biography

The play Romeo and Juliet is a tragedy written by William Shakespeare early in his career about two young star-crossed lovers whose deaths ultimately reconcile their feuding families. It was among Shakespeare's most popular plays during his lifetime and, along with Hamlet, is one of his most frequently performed plays. Today, the title characters are regarded as archetypal young lovers. Romeo and Juliet belongs to a tradition of tragic romances stretching back to antiquity. Its plot is based on an Italian tale, translated into verse as *The Tragical History of Romeus and Juliet* by Arthur Brooke in 1562 and retold in prose in *Palace of Pleasure* by William Painter in 1567. Shakespeare borrowed heavily from both but, to expand the plot, developed supporting characters, particularly Mercutio and Paris. Believed to have been written between 1591 and 1595, the play was first published in a quarto version in 1597. This text was of poor quality, and later editions corrected it, bringing it more in line with Shakespeare's original.

Titus Andronicus is a tragedy by William Shakespeare, believed to have been written between 1588 and 1593, probably in collaboration with George Peele. It is thought to be Shakespeare's first tragedy, and is often seen as his attempt to emulate the violent and bloody revenge plays of his contemporaries, which were extremely popular with audiences throughout the sixteenth century. The play is set during the latter days of the Roman Empire and tells the fictional story of Titus, a general in the Roman army, who is engaged in a cycle of revenge with Tamora, Queen of the Goths. It is Shakespeare's bloodiest and most violent work and traditionally was one of his least respected plays. Although it was extremely popular in its day, by the later seventeenth century it had fallen out of favour. In the Victorian era, it was disapproved of primarily because of what was considered to be a distasteful use of graphic violence, but from around the middle of the twentieth century its reputation began to improve.
