Formerly a SkyLight publication.

This one-of-a-kind handbook will help teachers expand their approaches and strategies to teaching and dramatically alter students' achievement.

In *Thinking Strategies for Student Achievement*, educational experts Denise Nessel and Joyce Graham Baltas present several strategies for improving thinking and literacy skills, including "Readers' Theater," "Freewriting" and "Key Word." The authors give expert advice on:

- Why the strategies should be used
- When to use them
- How to implement them

The authors also include methods to revise strategies to best fit teachers' individual needs.
