What Time Is the Tea Kettle? Andrew Leon

An offbeat, comic fantasy about a man with a cat that can walk on air (and walls and ceilings) and a tea kettle that has a grudge against clocks. The two, the cat and the tea kettle, don't like each other much, either.

Also includes the novelette "Soul Cakes" with the same man and his cat and what happens when they meet a little girl whose own cat has gone missing. And why the man doesn't like Halloween.
