A Tale Of Two Lines

Doug Newburg

A Tale Of Two Lines Doug Newburg

The Tale of Two Lines is the story of the choice we're often forced to make in life, between the wiggly trail of wonder we weave as children to the moment we're introduced to the straight line of goals and achievement we're introduced to as we grow. Told as a rhyme, the two lines eventually converge when we realize that dreams without goals can be irresponsible, but that goals without dreams can leave us empty.
