However, the IQ you use on a daily basis – your effective IQ – can be increased. Doing so can help you be more successful in your personal relationships, as it increases your ability to solve and overcome problems. Additionally, you will find that as you increase your effective IQ, you can become more successful on your job as you strive to gain professional success. Each themed puzzle has 32 words for search. The puzzles are hard in difficulty. About This Book Challenge yourself with 300 word search puzzles, with one puzzle on each page. The method for solving each puzzle should be familiar to you if you have worked word search puzzles before. However, the format is unique. Each puzzle has 32 words listed in a table. The word search puzzle is above the list of words in a box of letter squares twenty-three letters by twenty-three letters. The solutions can be found vertically, horizontally, or diagonally, either forward or in reverse order. How to Solve Word Search Puzzles In order to achieve success at any task, one needs to know the best way to accomplish the goal of that task. With word search puzzle solving, the goal, of course, is to solve the puzzle. To do so, there are a number of methods one can use. They are as follows:

- Take a Quick Look Glance at the puzzle and mark the ones you see immediately first.
- Develop a Strategy As you work your word search puzzle, a strategy will help you to work faster and more efficiently

- 1) Check beginning letters. One successful strategy is to look for the beginning letter of the word for which you are searching. Then look at the box immediately to the left and right, above and below, and in both diagonal directions for the remaining letters. At this point, you should see the complete word.
- 2) Work each row in one direction. For example, work all the rows across first. Then choose another direction, maybe backwards across. Continue until the puzzle is completed.
- 3) Work the list. Some word search puzzle solvers simply work down the list, looking for each word. Of course, you want to go ahead and mark any other words you see.

- Work in sections. Whichever method of solution you choose, work your word search puzzle in sections. You don't want to repeatedly do the same area of your puzzle.
- Take a break. If you get stuck, stop and come back to the puzzle later.
- Work cooperatively. You can work a puzzle as a cooperative effort. Working with someone else can be fun and make puzzle solving easier.
- Relax. Don't become frustrated. Each consecutive puzzle should get easier. Go with the flow.
- Have fun! Puzzle solving is supposed to be an enjoyable activity. Remember to make it one.
