Heaven is in the eyes of the beholder,  
To help others see that beauty,  
Makes the heavens open its loving arms

Memphis Johnson loves his Montana ranch. It is something he has worked hard for all his life. When his Pa died, he swore he would give back by helping others see the beauty in the land, as Pa did for him. But with that can come trouble and even heartache. One misfortunate girl begins a different kind of hard work for Memphis. He tries to help her learn the ropes and tame her wild ways. His heart opens too wide for her, and he finds he has to change tactics fast or lose her.

Sadie Tisdale is your typical 'city girl', with the latest fashions and a wealthy father who gives her anything she asks for. She loves to party, hang out with the wrong people and doesn't have a care in the world until one night... After being arrested, again, her father has had enough of her wild ways and decides to teach her a lesson. A lesson which could cost her the love of her father and the money she is supposed to receive on her twenty first birthday if she doesn't comply.

Spoiled city girls don't mix with country. Will Sadie learn there is more to life than staying out all night and having sex with a different guy each time? Can she calm her wild ways or will she run?
