Rigging the Game: How Inequality is Reproduced in Everyday Life

Michael Schwalbe

Rigging the Game: How Inequality is Reproduced in Everyday Life Michael Schwalbe

In *Rigging the Game* Michael Schwalbe offers a clear and compelling introduction to how the rules that shape economic life and everyday interaction generate and perpetuate inequality in American society. Guided by the questions *How did the situation get this way?* and *How does it stay this way?*, Schwalbe tracks inequality from its roots to its regulation. With its lively combination of analysis and stories, *Rigging the Game* is an innovative tool for teaching about the inequalities of race, class, and gender. In the final chapter, "Escaping the Inequality Trap," Schwalbe helps students understand how inequality can be challenged and overcome.
