Timeless wisdom, entertaining style, and easy-to-grasp explanations of success principles... In her classic book, *The Game of Life and How to Play It*, Florence Scovel Shinn established herself as the leading prosperity writer of her era whose down-to-earth, practical, and helpful suggestions appealed to readers and seekers from all walks of life. Decades after their initial publications, Shinn's books continue to reign as some of today's most prominent prosperity resources.
