What's the worst that could happen volume 1: This story is based on a rich and famous family. The husband, wife and children started off as one big happy family. Collie Mckenzie

Collie Mckenzie has put together one of the most powerful books you have ever experienced! As you read this book, it will take you to a new dimension and it will cause you to look at life from a different level. The pages of this book are filled with energetic words that are very compelling and encouraging. This story is based on a rich and famous family. The husband, wife and children started off as one big happy family. They were living life to the fullest owning three houses, five cars: (two Mercedes-Benz, one Lexus, two white Jaguars) and money that ran like water. They wore the most expensive gear; you name it, they had it all. They had five Swiss Bank accounts overseas and hosted family dinners at the most expensive restaurants. This family traveled the world visiting a variety of different countries, then suddenly all the happiness had disappeared and turned into one big tragedy. Sit back, relax and enjoy the best read of your life. Prepare to be blessed!

Tina and Charles have done the unthinkable. They are ripping each other's clothes off, romancing while sweat drenches their bodies. They are having hot sex in the room directly above Tina's sleeping husband and children. They are so loud the neighbors can hear them through the walls in the house. In the midst of the lovemaking session Roy gets up to use the bathroom, noticing his wife was not in bed when he awoke. Roy thinks maybe she's downstairs grabbing something to drink. After he had finished using the bathroom Roy heads back to his bedroom, but stops abruptly when he hears noises coming from the upper level. Roy says to himself, "Maybe I'm hearing things." As he makes his way closer to the guest bedroom he can't help but hear these strangely familiar noises getting louder and louder. After realizing his wife still wasn't in their bedroom, Roy begins to worry and thinks she may be in trouble. Roy then makes his way upstairs. Each step he takes the sounds become louder and more familiar. Roy's stomach begins to turn in knots. His hesitation and worry becomes anger because he realizes what the familiar sounds are: his wife's moans. Sounds he thought were reserved exclusively for his ears only. Roy whispers more so to himself "No, this can't be happening...no way, not in my house!" He slows down his pace and creeps into the bedroom from where the sounds were emerging. Roy slowly opens the door and his worst fear is confirmed; he sees his wife having sex with another man. All Roy could do was stop and stare at his wife, as if what he was witnessing was an illusion, a distorted dream of sorts. Seeing the expression of pure joy and ecstasy on Tina's face enraged Roy to the core. Every pant and moan from his wife slowly turned Roy's world black and red. Roy is inflamed, and is in total disbelief. Roy quickly storms out on the show before him and marches downstairs and into his bedroom. His wife and her lover momentarily stop and they ask in unison, "Did you hear that?" After a couple of seconds, Charles says "Forget that we not finished yet". Roy's wife smiles coyly at her lover and they continue their sex session. Meanwhile in his bedroom Roy is loading his Glock 49. The way Roy is flying around the bedroom he seems almost possessed, he loads his gun in record time like he's never done before. After loading the last bullet Roy makes his way back to the room that shattered his perfect life. He storms in and while his wife and her lover are lost in lust, he unloads his rounds till it stopped screaming and started just clicking. All Roy said was, "I should have seen this coming. Right under my nose in my own house..." Roy's vision came back to normal. Roy finally realizing what he had done bolts downstairs and into his bedroom, grabs his suitcase to quickly pack his belongings. He grabbed a few suits he had hanging in the

closet, picks up his car keys from off of the nightstand and rushes out of the house.
