Interpreting the Pauline Epistles Thomas R. Schreiner

Leading Pauline studies expert Thomas Schreiner provides an updated guide to the exegesis of the New Testament epistles traditionally assigned to Paul. The first edition helped thousands of students dig deeper into studying the New Testament epistles. This new edition is revised throughout to account for changes in the field and to incorporate the author's maturing judgments. The book helps readers understand the nature of first century letters, do textual criticism, investigate historical and introductory issues, probe theological context, and much more.
